

STOP

Are you feeling sick?

If you have any of these symptoms, please go home and call
Healthline on 0800 611 116

- a cough
- a high temperature (at least 38°C)
- shortness of breath

These symptoms do not necessarily mean you have COVID-19. The symptoms are similar to other illnesses that are much more common, such as cold and flu. However, infections with mild symptoms such as cold-like symptoms or no symptoms are likely, but it's not known how common this is.

**We are working hard to keep everyone safe,
but we need your help!**

**Please use hand sanitizer and wash your
hands often and stay home if you are sick.**
